**Headquarters, United Nations Command / Combined  
Forces Command / United States Forces Korea**

The Headquarters, United Nations Command/Combined Forces Command/United States Forces Korea distinguished itself by exceptionally meritorious service from 1 June 2008 to 31 December 2010. During this period, the command enhanced the warfighting and deterrent capabilities of the Republic of Korea - United States Alliance, expanded the participation of the United Nations Command's Sending States, strengthened military ties between all Coalition nations, and improved the quality of life for Service members assigned to the Republic of Korea. The command proved absolutely critical to maintaining stability and security on the Korean Peninsula during multiple periods of heightened tensions with North Korea. The command not only contributed to the ongoing missions in the region, but contributed to ongoing United States operations around the world. By their exemplary performance of duty, the members of Headquarters, United Nations Command/Combined Forces Command/United States Forces Korea have brought great credit upon themselves, their Service, the Republic of Korea - United States Alliance, and the Department of Defense.

Given under my hand this 26th day of April 2011
